I understand that Mobile Dental Hygiene Care will perform the following services:

- Oral Evaluation/Oral Cancer Screening
- Teeth Cleaning (Scale, Polish, Periodontal Maintenance)
- Fluoride Application

Recommendation: I understand having my teeth cleaned every four months will help to further reduce any deterioration of my teeth and gums, and help to promote my overall health.

I understand that the Registered Dental Hygienist In Alternative Practice (RDHAP) can not diagnose any pathology. In the event of a possible abnormality, the RDHAP will recommend to the facility and/or Tri-Counties Regional Center (TCRC) and/or family member the need to see a dentist and/or physician.

Dentures: I understand that I (may) wear full dentures (no teeth) and that an oral evaluation is recommended to check for tissue abnormalities; lesions, swollen glands and an oral cancer screening.
